About Us

Saraye Noghrei Bazaar, operating under its international brand **Silver Balcony**, is a private trading company and a leading exporter of high-quality agricultural products from Iran to global markets. Since its establishment in 2023, the company has rapidly grown into a trusted name in the international fresh produce industry, driven by a firm commitment to quality, transparency, and customer satisfaction.

At Silver Balcony, we leverage an integrated supply chain, a team of international trade experts, and a wide network of local growers to deliver products that meet the highest standards of freshness, safety, and global compliance. The export of premium Iranian apples is one of our key specialties—offered with professional packaging, a wide variety of cultivars, and flexible export solutions tailored to the diverse needs of our clients worldwide.

Available Types:

Apple Variety	AUG	SEP	OCT	NOV
Red Delicious		★★★	★★★	
Golden Delicious			★★★	
Gala	★★★	★★★		
Fuji			★★★	★★★

01

Gala – Sweet, crisp, great for fresh eating

Red Delicious – Mildly sweet, perfect for snacking

02

03

Golden Delicious – Sweet with a hint of tartness, ideal for baking

Fuji – Very sweet and juicy, great for fresh consumption

04

Grades

Mainly Grade A (Class I), suitable for retail.
Other grades are available for different market needs (general sale, processing).

Apple Size & Grading Specifications

Nominal Size (mm)	Approx. Weight (g)	Available Grades
44	90 – 100 g	Grade A, B, C
50	110 – 130 g	Grade A, B, C
66	160 – 190 g	Grade A, B

Precise sizing and grading are confirmed during the ordering and loading process.

Available Packaging Options

All packaging solutions comply with international export standards and are optimized for global logistics.

1

8.5 kg ventilated plastic crates

Ideal for warm and humid regions, offering optimal airflow and product freshness.

2

8.5 kg heavy-duty export carton

Suitable for short-distance shipments, highly durable and cost-effective.

3

10.2 kg standard export carton

Commonly used in general export consignments with large volumes.

4

Customized packaging upon request

Fully adjustable in weight, design, and labeling based on client preferences.

5

Palletizing (optional)

Available based on container loading requirements, with optimal stacking and protection.

Logistics & Transportation

1-Annual supply capacity: Up to 200,000 metric tons

2-Shipping methods:

- Sea freight via reefer (refrigerated) 40ft containers
- Land transport to outbound transit points

3-Main Seaports of Dispatch: Bandar Abbas and Chabahar

4-Delivery time: 5–7 working days after order confirmation and preparation

5-Flexibility: Packaging, labeling, palletization, and documentation can be fully adapted to the buyer's needs.
